Do You Have a FUNERAL DIRECTIVE?

A Funeral Directive is used by an individual to indicate their preferences for the manner in which their funeral service is conducted. This could include preferences for hymns, scripture readings and perhaps a request for a particular soloist or minister. Also, the location of the service and the funeral director can be chosen.

Currently Camrose United has Funeral Directives from fourteen of our congregation members. If you would like to have a Funeral Directive prepared or would to discuss the benefits of preparing this notification, please contact Minister Liz or Minister MaryAnn. Or you may contact the church office for a brief overview of the value of a Funeral Directive
